LEAK IS ALLEGED AT A NAVY WIRELESS STATION

By Evening Herald Leased Wire
Albuquerque, April 21.—Results of a department of justice investigation of reports that contents of government wireless messages were reaching representatives of foreign governments through leakage at the wireless station at the Lake Bluff naval training school near here were forwarded to Washington today.

Hutton C. Clancy, chief of the local bureau of the department of justice who made the investigation, declined to say what it disclosed.

A complaint was made, said Mr. Clancy, that Hugh W. Fisher, chief clerk in the commandant at the training school, where the wireless is located, was living in the same house with Hugo Silvestri, American-Hungarian consul. I did not find them living at the same house, but I cannot say more as to my investigation.
